

Department of Zoology

About the Program

This pandemic situation consequently rendered the pride opportunity for conducting a webinar with pragmatic consent of Prof. Dr. Mastan Mannarapu of Dravidian University, Prof. Dr. Tapan Kumar Barik, Berhampur University and Dr. Mahesh Ch. Sahu, Senior Scientist, ICMR, Ahmadabad. Definitely their benevolence has reinforced the spirit and glorified all Zoology concerned dignitaries, scholars and students for making the webinar a grand success. Quoting WHO "Any disorder, physically or mentally subdues the capacity of individual's concept of social wellbeing" symbolizes as unhealthy or diseased. Some focused spectrum on specific diseases, drugs and therapy by our elite speakers have adorned the Title as "DISEASE AND THERAPEUTIC MANAGEMENT" find interesting, catchy, edible, assimilative and memorable aspects. Moreover accepting our benign invitation, your gracious participation will manifold the Jubilation for all contributors of our Zoological society.
