TO WHOMSOEVER IT MAY CONCERN

This is to certify that the Institution obtains feedback on the syllabus and its implementation from three of its stakeholders: students, alumni, and faculty members. The feedback is analysed, and appropriate actions are taken. The feedback is also available on our website. This statement is true to the best of my knowledge.

CONSOLIDATED FEEDBACK ANALYSIS FROM STAKEHOLDERS 2023-24

The institution collected feedback on the curriculum from three stakeholders: students, alumni, and faculty members, in the academic year 2023-24. The consolidated feedback from the various stakeholders has been summarized below.

CONSOLIDATED FEEDBACK						
Stakeholders	Total Assessed Questions	Strongly agree (%)	Agree (%)	Disagree (%)	Strongly disagree (%)	Unable to comment (%)
Students	10	55.89	40.96	1	0.1	2.05
Alumni	10	63.01	33.87	1.86	0	1.26
Faculty	08	56.61	38.49	3.52	0.2	1.18
Average		58.50	37.77	2.12	0.1	1.5

The stakeholders submitted feedback forms after answering a maximum of 10 questions. Approximately 97% of students agreed with the questions related to the curriculum. According to feedback from faculty members, around 57% strongly agreed with the curriculum-related questions. From the alumni feedback, again it was found that 97% agreed with the various assessed questions. On average, more than 96% of the stakeholders agreed with the points related to the curriculum, which motivates the institution to move forward positively.

FEEDBACK ANALYSIS REPORT OF STUDENTS

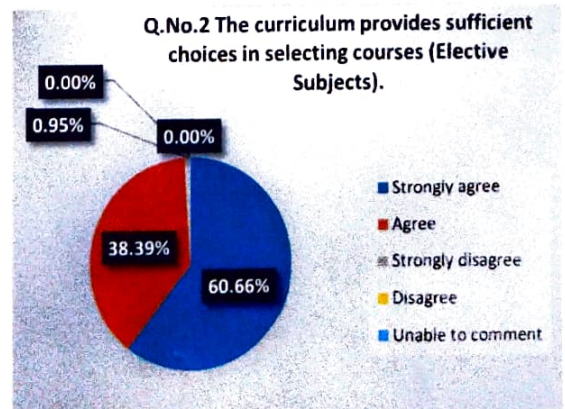

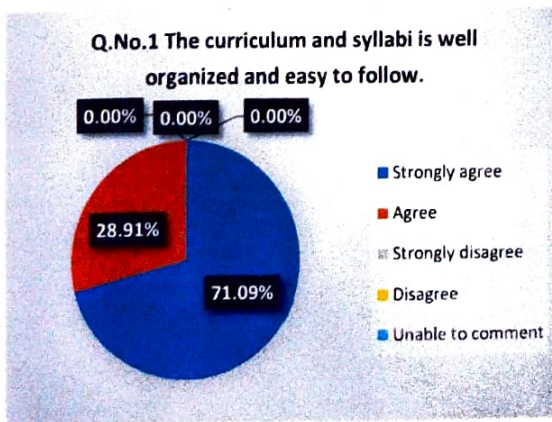

2023-24

Total number of feedback received from students: **211**

Structured feedback on curriculum was collected from the students on the following areas:

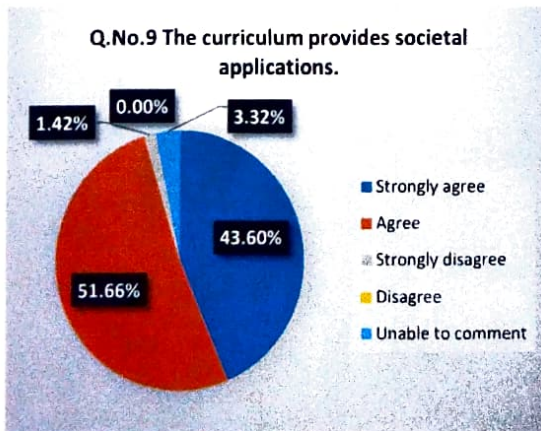

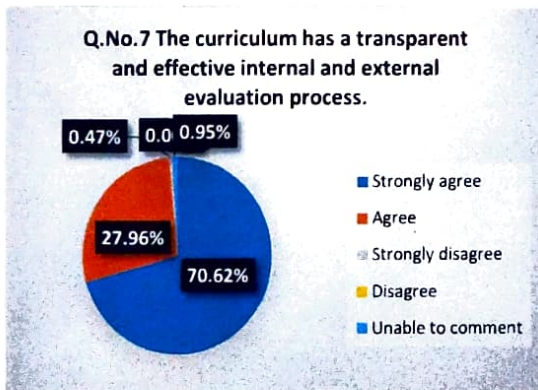

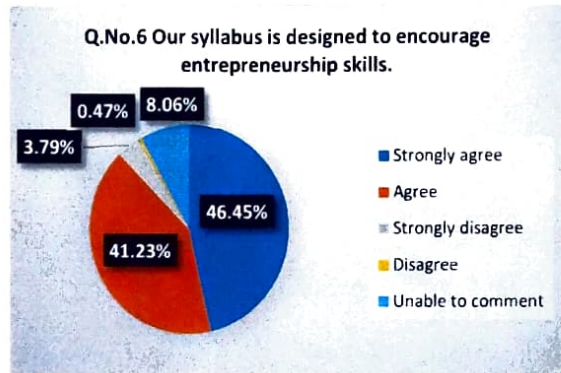

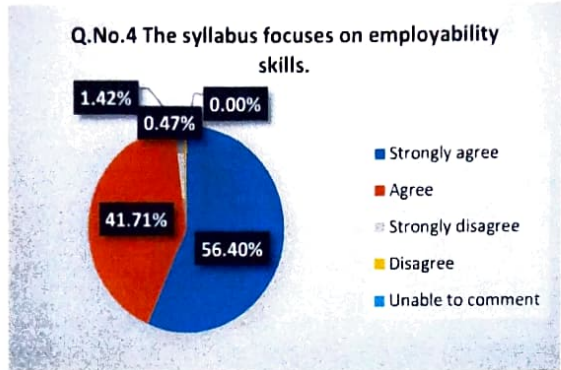

1	The curriculum and syllabi is well organized and easy to follow.
2	The curriculum provides sufficient choices in selecting courses (Elective Subjects).
3	The curriculum helps me to acquire skills and competencies along with the necessary knowledge.
4	The syllabus focuses on employability skills.
5	The curriculum is effectively designed by integrating ICT technology and pedagogy
6	Our syllabus is designed to encourage entrepreneurship skills.
7	The curriculum has a transparent and effective internal and external evaluation process.
8	The curriculum is enriched with courses that are of relevance to interdisciplinary and cross cutting in nature.
9	The curriculum provides societal applications.
10	The curriculum provides opportunities in developing transferrable and lifelong learning through value-added courses

FEEDBACK ANALYSIS REPORT OF ALUMNI

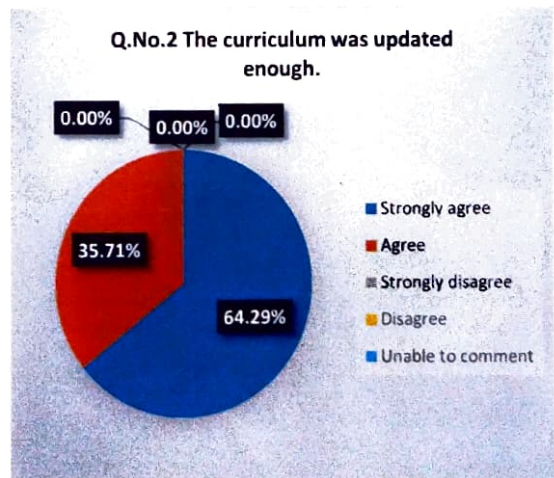

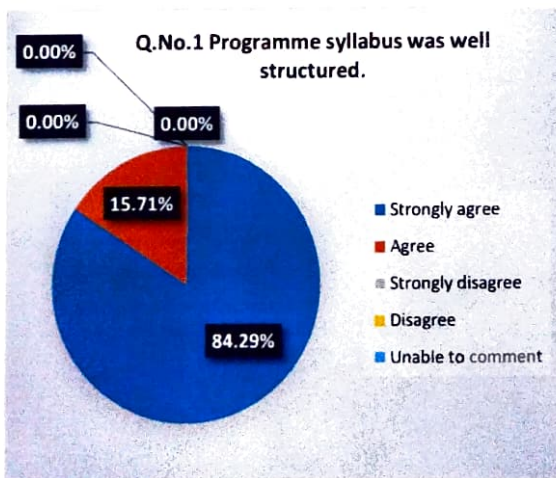

2023-24

Total number of feedback received from alumni: 70

Structured feedback on curriculum was collected from the alumni on the following areas:

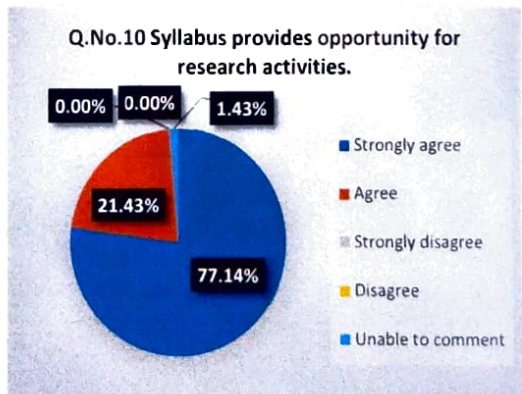

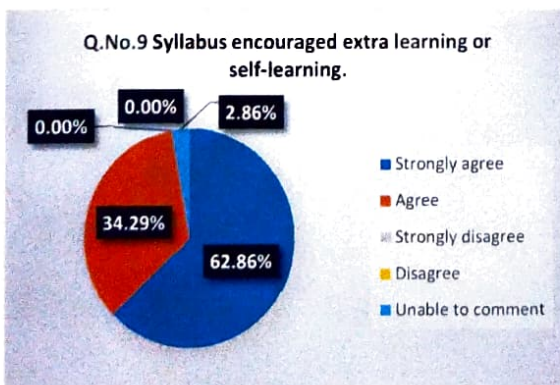

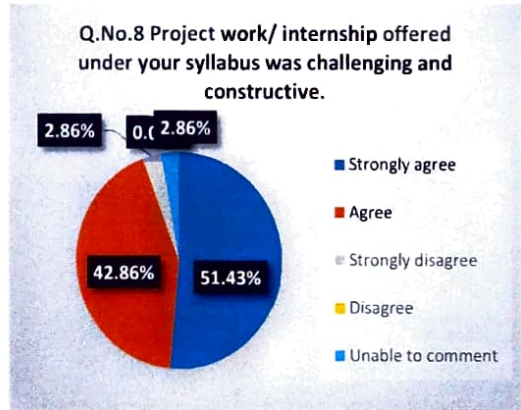

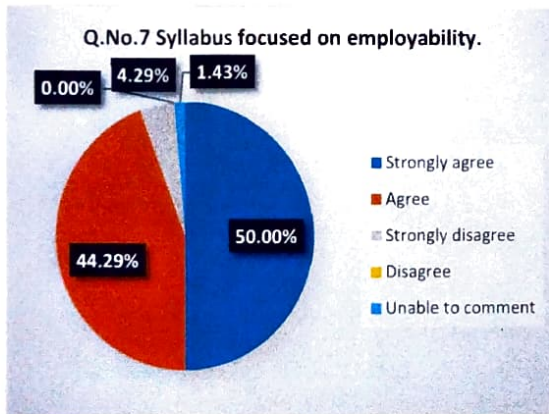

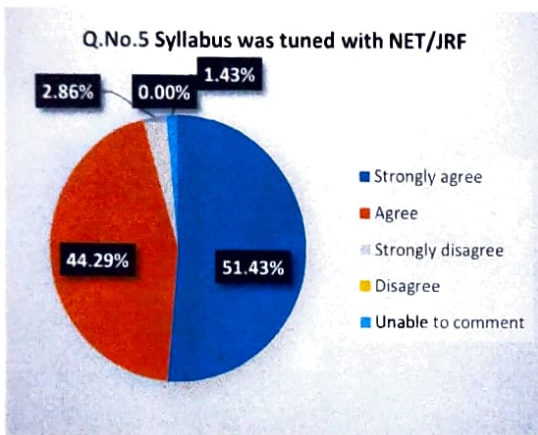

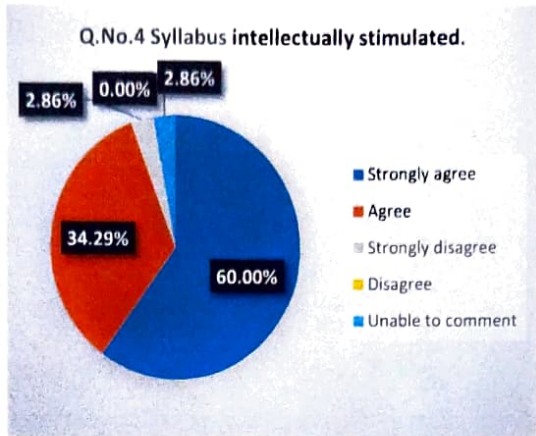

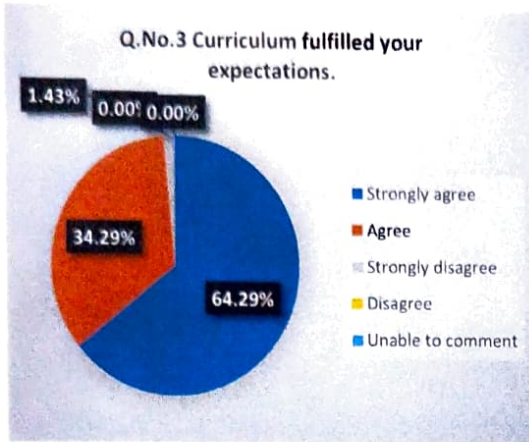

1	Programme syllabus was well structured.
2	The curriculum was updated enough.
3	Curriculum fulfilled your expectations.
4	Syllabus intellectually stimulated.
5	Syllabus was tuned with NET/JRF
6	The curriculum helped to attain new skill.
7	Syllabus focused on employability.
8	Project work/ internship offered under your syllabus was challenging and constructive
9	Syllabus encouraged extra learning or self-learning.
10	Syllabus provides opportunity for research activities.

FEEDBACK ANALYSIS REPORT OF FACULTY MEMBERS

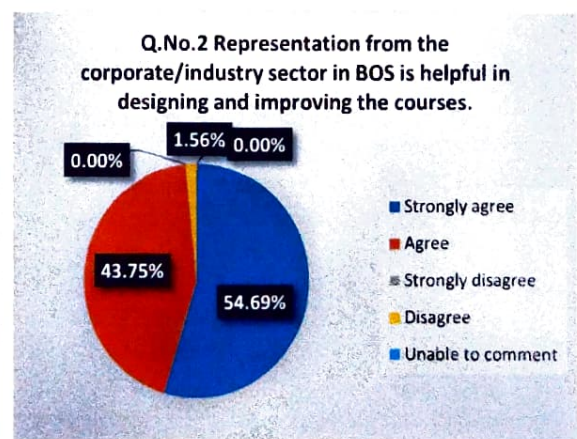

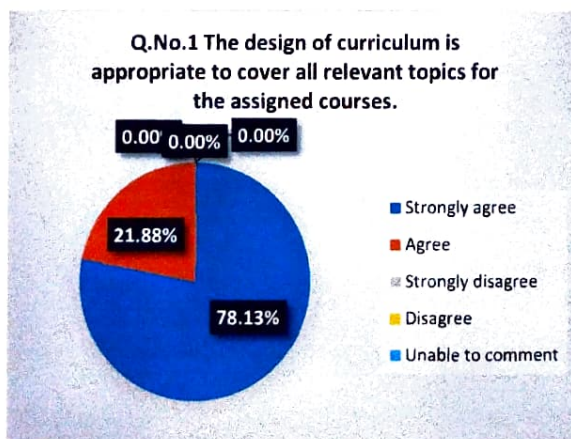

2023-24

Total number of feedback received from faculty members: **64**

Structured feedback on curriculum was collected from the faculty members on the following areas:

1	The design of curriculum is appropriate to cover all relevant topics for the assigned courses.
2	Representation from the corporate/industry sector in BOS is helpful in designing and improving the courses.
3	Employability & Cross-cutting issues (Professional Ethics, Gender, Human Values, Environment and Sustainability) are reflected in the curriculum.
4	Adequate Infrastructure is available in the institution for the Curriculum transactions in different modes (face to face/blended/online).
5	The learning outcomes are evaluated periodically and corrective measure are initiated for the continual improvements.
6	The curriculum/course follows outcome based/competency-based education.
7	The depth of the course is relevant in meeting the Program Outcomes and Program Specific Outcomes.
8	I am satisfied with the assessment practices adopted by the institution for measuring student's performance.
